Its premium location also offers you easy access to shopping, recreation facilities, and to the downtown core via public transport & major thru-fares. You will also be close to Canada Olympic Park facilities (back entrance) as well as the beloved Rocky Mountains just to the west! From the tranquil and family-friendly cul-de-sac, an aggregate-finish driveway & walkway lead to a well-defined foyer towards an open concept living area with hardwood featuring a spacious kitchen with all the upgrades you expect. This expansive kitchen with maple-spice & gainsboro grey full-height cabinetry is a chefâ€™™s delight with built-in appliances including a right-height microwave, chimney hood fan, countertop stove, large fridge, and spacious island. The mudroom with built-ins flows from an over-sized garage to a spacious walk-thru pantry & full SPICE KITCHEN going towards the main kitchen. You will enjoy the grace of the morning sun from your large-windowed dining room off the kitchen and the vast family room. There is also a cosy office on this floor with a window and barn

door for functionality & privacy when you need it. A wrought-iron railing stairway leads up to the bonus room that opens to the secondary bedrooms separated by full laundry room with SINK and shelving, and a massive master bedroom with an ample-sized walk-in closet, and a grand ensuite with two sinks, stand-alone tub, large tiled-shower, and private WC. The fully finished basement has the 4th bedroom, full bathroom, plus cooking facilities added for a nanny suite, or long-term guest suite (not legal suite). The expansive landscaped backyard features a brick patio and a no-maintenance vinyl fence. FYI, this home's superior features include hardie fibre cement siding, TRIPLE pane windows.
