4 Bedroom, 4.00 Bathroom, 1,931 sqft
Residential on 0.09 Acres

Inglewood, Calgary, Alberta

**** Open House Sunday, July 6th from 12pm-2pm! **** Tucked away on a charming, tree-lined street with cul-de-sacs at both ends, this home offers the best of both worlds: quiet, residential vibes with a tot lot and dog park just across the street for some outdoor fun. Itâ€™s privacy, convenience, and inner-city lifestyle all wrapped into one fabulous package.

Sitting pretty on a wider-than-average infill lot (thatâ€™s 33' vs. the usual 25'), youâ€™ll love the extra space in the yard, the double detached garage with built-in shelving and handy roof storage, plus even more room to park a third vehicle or expand your outdoor entertaining zone.

Inside, itâ€™s love at first sight. Think mid-century modern flair with a touch of mountain-inspired charm â€” all beautifully maintained by the original owners. The main floor is perfect for get-togethers, with a cozy dining area, built-in speakers, sleek appliances, and stylish Moen & Delta fixtures that add just the right touch of elegance.

Head upstairs and youâ€™ll find three generously sized bedrooms, all with smart built-ins that make extra furniture totally optional (hello, clutter-free living!). Downstairs, the fully finished lower level features a versatile fourth bedroomâ€”perfect for guests, a home office, or your next creative project.

Extras? Oh, there are plenty: High-efficiency furnace (2019), Air conditioning (2020), Updated hot water tank, Hardwired security system + Ring doorbell cameras (front & back).

Just a short stroll to schools, the community center, and some of Calgary’s best amenities. And let’s talk about Inglewood—this vibrant neighborhood is packed with charm, offering trendy caf s, local boutiques, top-rated restaurants, and river pathways all at your doorstep. Urban living with a peaceful twist? Yes, please!
