Inside, a spacious open-concept layout is filled with natural light. The kitchen features durable hard-surface flooring, essential appliances, ample cabinetry, and a central island with no dividing wall, unlike some other units in the complex. Just off the kitchen is a handy pantry or storage closet. The adjoining dining and living areas offer cozy, carpeted comfort and open onto a well-sized private West-facing balcony—perfect for enjoying sunny afternoons, along with an additional large window most units don't have! The large primary bedroom boasts a walk-through closet, a large ceiling fan and a private 3-piece ensuite with a stand-up shower, extended vanity, and generous storage. A second bedroom provides flexible space for guests or a home office, and the nearby 4-piece main bath features a tub/shower combo with a new toilet and new flooring. Additional features include in-suite laundry with a stacked washer/dryer and additional storage space, and a garbage chute conveniently located just

down the hall. This unit also comes with a heated underground parking stall and a secure storage locker. A unique bonus of this building is its direct indoor access to the resident lounge, games room, and amenity spaces—ideal access in the colder months. The complex also offers a social calendar, fitness facilities, and ample visitor parking. Located steps from grocery stores, pharmacies, restaurants, banks, and the Okotoks Senior Club, and adjacent to the Viking Rentals recreation centre with its arenas and indoor walking track, you'll love the walkability and community connection.
