Amazing Location in the heart of Fairview!
Super easy to travel anywhere in the city! Play park right out the back gate with awesome view of our beautiful skyline! HUGE lot for someone who wants to redevelop! Great bones to work with if you prefer to upgrade to your standard and live in. Original hardwood floors were refinished years ago and still look pretty good. Third level entrance lends itself well to have some separation for occupants. Tandem garage with doors at both ends for easy access. This home has been in the family since 1959 and awaits a new owner to enjoy for many years to come. Quick possession possible!
